COVID-19 School Closing FAQ

How do I prevent myself or my family from getting COVID-19?

- Wash your hands - as frequently as you can, with warm water and soap for at least 20 seconds.
- Use hand sanitizer that is at least 60% alcohol when you are unable to wash your hands.
- Avoid touching your face, eyes, nose, or mouth with unclean hands.
- Stay home if you are sick.
- Maintain distance from others who are ill or not feeling well.
- Cover your coughs and sneezes.
- Stay home. Unless you absolutely have to leave your home for something or go to work.

What is COVID-19? What are the symptoms?

The CDC states COVID-19 is a mild to severe respiratory illness. The symptoms are fever, cough, and shortness of breath.

When should I get tested if I have symptoms?

First, stay home and call your doctor. Your doctor will determine if you should be tested or how to proceed with your symptoms.

What time and where will deliveries be made?

daVinci busses will be running their afternoon routes between **10:00-1:00 Tuesday, March 17 - Friday, March 20** and **10:00-1:00 Monday, March 23 - Thursday, March 26**.

What can I expect from the da Vinci delivery packages?

- Meal and snack items
- Packets from Primary School teachers if your student was absent on Friday, March 13
- Ms. Betty is making sketchbooks for Primary students to have at home.

Can my pet get COVID-19?

There is no evidence that your pet or animal can have COVID-19. Limit allowing your pet to lick you and always wash your hands after being in contact with your pet or an animal to limit the spread of germs.

What if I need more than just what is included in the deliveries every day?

Let us know! Please email us at: dvfamilysupport@davincik12.org with any questions, needs, or things we can provide to support you during this time.

My kids are already bored. What do I do?!

- Check our daVinciK12 Facebook page! We are sharing and posting activities for students to do at home.

- Ms. Janelle will be posting a weekly wellness activity for your student to participate in at home.
- Encourage your student to journal every day for 5-10 minutes, depending on your student's age.
- Encourage your student to read every day or even listen to an audio book for at least 20 minutes.
- Build a fort, host a talent show, play charades, or play outside in the nice weather.
- Follow an appropriate daily schedule for your students. If you're not sure where to start, many parents and teachers are sharing theirs online.
- Disinfect and continue to clean your home to avoid the spread of germs.
- MS & HS Students: Odysseyware is on and Stacey & Taylor are grading your work. This is the time to catch up on any of those missing credits! If your teacher has a Google Classroom, make sure you are checking that regularly.
- HS Students: Try reaching out to neighbors or friends who are in need of a babysitter for small children. Maybe you can earn some extra cash during this time!
